

Lesson 0 – Obtaining Kaleidagraph Software

Go to the site:

<http://www.synergy.com/student.htm>

there you will see the following:

This is a link to a student license only. It expires in 1 year and can be purchased for \$25 and downloaded directly through our website. This license can be upgraded to a full non-expiring license by contacting us directly at 800-876-8376 and purchasing the license for \$99. Your serial number will be needed. This is a single-user license and cannot be shared or transferred to another person.

Download KaleidaGraph for Windows

Download KaleidaGraph for Macintosh

Download the version you want and follow the install procedure.

This professional software and usually is usually \$199.95 for a commercial license and \$139.95 for an academic license.
